Challenge (optional) –

Thinking mathematically - Primary students | NRICH

Have a look at the challenges!

Science – Keep a moon phase diary for 2 weeks. Sketch the moon each night and describe how it changes.

Science– Parachute Investigation – Make a parachute using a plastic bag/tissue and a small toy. Test different sizes to see which falls slowest.

Science– Design a colourful poster about something in space, add interesting facts about it.

Wider Curriculum Homework

Please choose from 1 of the options (more than 1 is optional).

History – Build a Longship – Make a Viking/ Saxon Settlement model from cardboard or LEGO. Add shields and a sail.

History – Castle Design – Draw or build a model of a medieval castle. Label the defensive features (moat, drawbridge, battlements).

Music/Performance – Create a Viking “battle chant” or write a song about the planets.
